HOBBIES AND INTERESTS

Sport

I've been practicing **judo** competitively for several years.

Together with my partner, I'm part of the **Italian national team**, with which I qualified for the *European Judo Championships Kata Riga 2025*, the *World Judo Championships Kata Paris 2025*, the *European Judo Championships Kata Sarajevo 2026*, and the *World Judo Championships Kata Sarajevo 2026*.

Development and Open Source

I'm passionate about **Open Source**: I develop personal projects and contribute to numerous other projects.

My works include Z80DevBoard, a **development board** designed in KiCad that combines a Z80 processor with an RP2040 microcontroller; FreeIdeas, a web-based idea-sharing platform built with Next.js and React; UHBadge, an electronic badge for hackers based on the RP2350 with an e-ink display; my personal website; my personal portfolio; and the 2D video game Beyond the Quarks developed in Unity and MagicExplorer.

In the summer of 2026, I was an exhibitor at **Open Sauce 2026**, where I presented my projects.
